

People pool for party time

ORGANISERS are hoping a pool party will help bring the community together and highlight the Irymple Pool as a valuable facility.

Hands Up Mallee, headspace and Mildura Council have teamed up with the Irymple Progress Association to host the event on Friday evening.

A spokeswoman from the Irymple Progress Association said the event would be of particular benefit to those who were new to region.

“Irymple is growing at a very fast rate with many new families moving into the area, with

little opportunity to meet their neighbours or others within their community,” she said.

“The pool party, while highlighting the pool and its benefits as a place to socialise and cool off, will hopefully encourage families and young people to come along, meet people and have some fun.”

The event will run from 4pm to 8pm and include music by DJ Vee, games and prizes.

Food will be available to buy but people attending are welcome to bring their own.

The cost of the evening is a gold coin donation.
